Secretary  
4001 Pennington Road  
Greer, SC 29651

## **Biographies**

### **Vickie Porter**

Managing Partner - President

Ms. Porter, 34, has served as Vice President of the Company since its inception in May 1997. In July, 2000 she was appointed President by the Board of Directors. She has over ten years experience in the telecommunication industry. Ms. Porter began her telecommunications career at Corporate Telemanagement Group, Inc. in 1991 where she helped to develop the information system that guided that business. Following LCI's acquisition of Corporate Telemanagement Group's Inc. in 1995 she was responsible for the successful facilities conversion of Corporate Telemanagement Group's switched customers to the LCI network. While at OSI she co-developed the billing/provisioning software the company still owns and uses today. During that time, she also served on the management team of Efficacy Group, Inc., a switchless provider of telecommunications services. Efficacy Group, Inc. merged with Access Point, Inc. in August 2000. She is a graduate of Bob Jones University.

### **Beverly Brady**

Managing Partner - Secretary

Ms. Brady, 34, has served as a Director of the Company since November 1997. She has over thirteen years experience in the information services industry, with six years of that being in the telecommunication industry. Ms. Brady began her telecommunications career at Corporate Telemanagement Group, Inc. in 1995 where she was responsible for due diligence, analysis and conversion of all acquired companies. LCI's acquired Corporate Telemanagement Group's Inc. in 1995, in 1997 she was named Manager of Greenville Operations and was responsible for the successful data conversion from Corporate Telemanagement Group's billing platform to LCI's billing platform. While at OSI she developed the order entry system the company still owns and uses today. She is a graduate of Clemson University.

### **Rebecca Stringer**

Managing Partner - Vice President

Ms. Stringer has over fifteen years of experience in the telecommunications industry. She began her telecommunications career in 1980 at Tel/Man, Inc. Since that time she has also served in various capacities with Southernnet, Inc., Telecom USA, Inc., Corporate Telemanagement Group, Inc., LCI International, Efficacy Group, Inc. and Access Point, Inc. Ms. Stringer's hands-on customer service and operations experience allow her to offer an invaluable perspective to operations issues. At Telecom USA Ms. Stringer served as Manager of Private Line Billing and then in 1990 as Director of Customer Service for Corporate Telemanagement Group. In 1998 she took the position as Vice President of Operations at Efficacy Group, Inc., and subsequently Access Point, Inc. She also participated on the conversion teams for nine separate telecommunication company acquisitions.

### **Cheryl Gill**

Managing Partner - Treasurer

Ms. Gill, 55, has more than twenty years business experience, specializing in finance, consulting, personnel and management operations. Most recently she served as Controller for Efficacy Group, Inc., a switchless provider of telecommunication services, from the time of its inception in April 1997 through its merger with Access Point, Inc.

She left Access Point, Inc. in May 2001. From May 1984 to September 1985 Ms. Gill was employed as a Management Engineer with SunHealth, Inc., an engineering and management consulting company for the health care industry. From September 1985 to February 1993 Ms. Gill served as Business Manager for a five doctor family practice group located in Greer, SC. From March of 1993 to December of 1996, as a licensed Realtor, she expanded her management background to include sales experience as well. Prior to joining Efficacy Group, Inc., Ms. Gill was employed as Controller by Snyders Auto Sales in Greenville, SC. Ms. Gill received her Bachelor of Science degree from the University of Missouri at Rolla and her Masters Degree in Business Administration from Virginia Tech.

**William “Buddy” Wehlitz**

Board of Director Member

Mr. Wehlitz, 46, has more than twenty four years in management information systems. From 1977 to 1989 Mr. Wehlitz served as manager for Research and Development for Enterprise Computer Systems, building supply software providers to the residential construction industry. From 1989 to 1995, he was employed as Vice President, Management Information Systems for Corporate Telemanagement Group (CTG), a Greenville, SC, based long distance reseller. Following LCI's acquisition of CTG, Mr. Wehlitz served as Director of MIS Operations. In May 1997, Mr. Wehlitz became President of Optimization Services, Inc. He held this position until July 2000, at which time he stepped down, but remained on the Board of Directors. Mr. Wehlitz received his Bachelor and Masters degrees in Business Administration from the University of Georgia.

**Tim van den Meiracker**

Board of Director Member

Mr. van den Meiracker, 37, has more than fourteen years experience working in the management information systems industry. From 1986 to 1989 Mr. van den Meiracker served as a Programmer/Analyst for Enterprise Computer Systems, the leading national provider of Building Supply software. In 1990, he was employed as a Programmer Analyst for Business Systems, Inc., a cable TV billing software provider. From 1990 to 1997, Mr. van den Meiracker served as Senior Manager for Network Computing for

Corporate Telemanagement Group, Inc. In May 1997, he became Vice President of Optimization Services, Inc. Mr. van den Meiracker left his position at Optimization Services, Inc. in 2001 to pursue his Doctorate degree, but continues to serve on the Board of Directors. He is a graduate of the University of South Carolina at Spartanburg.
